

This notice is for MHWSC's customers that receive water from BPUB

Stage 2 Water Shortage Alert

Water Use Restrictions:

- All restrictions from **Stage 1** remain in effect unless added to or replaced by Stage 2 rules.
- Vehicle washing is allowed twice weekly between midnight through 10:00 a.m. and 7:00 p.m. through midnight on the designated landscape watering days.
- Non-essential watering is prohibited, such as washing buildings, using water for dust control, or allowing water to run into the streets.
- Lawn watering by a sprinkler system is restricted to two days a week based on the last digit of the service address and from midnight through 7:00 a.m. and from 7:00 p.m. through midnight.

Last # of Service Address	Watering Days
0 or 1	Monday, Saturday
2 or 3	Tuesday, Saturday
4 or 5	Wednesday, Saturday
6 or 7	Thursday, Sunday
8 or 9	Friday, Sunday

- Variances must be acquired from the BPUB office to water new landscapes outside the landscape irrigation schedule for four weeks.
- For a detailed view of water restrictions under Stage 2, review the [Drought Contingency Plan](#).

Condition:

Active due to levels of the United States' water stored in the Amistad and Falcon International Reservoirs being at 25% or 1.66 million acre-feet, as reported by the TCEQ Rio Grande Watermaster.

Goal

The goal for Stage 2 is a 5% reduction in average daily water demands and a 10% reduction in maximum daily water demands on the Brownsville PUB system.
