

REMINDER WATER WARNING CONSERVE WATER

WE ARE AGAIN ADVISING WESLACO RESIDENTS WILL BE REQUIRED TO IMPLEMENT PHASE II OF THE CITY WATER CONSERVATION ORDINANCE. PHASE II REQUIRES THAT WHEN THE LEVEL OF U.S WATER STORED IN AMISTAD AND FALCON RESERVOIRS REACHES 25% MANDATORY CONSERVATION WILL BE DECLARED AND CITIZENS ARE REQUIRED TO OBSERVE THESE REGULATIONS:

1. The watering of lawns will be prohibited except on irrigation days.
 - Irrigation will be permitted once every seven days from 7:00 p.m. until 7:00 a.m.
 - Home addresses with the last digit as an **odd** number will be allowed to water on **Tuesdays**.
 - Home addresses with last digit as an **even** number will be allowed to water on **Thursdays**.
 - Permitted any day:
 - Handheld hose or drip irrigation
 - Commercial nurseries or sod farms
2. Washing of all wheeled vehicles is allowed only by handheld bucket.
3. Commercial or automatic car wash establishment shall use minimum practical water settings.
4. Adding water to swimming pools permitted only on irrigation days.
5. Ornamental Fountains with recycling systems are permitted. All other fountains are not permitted.

You must:

- Prevent water from overflowing or spilling into a gutter or drain.
- Repair controllable water leaks inside and outside your house or business.
- Sweep, rather than hose off, all paved areas.

Please contact the Planning and Code Enforcement Department at 956-968-3181 for additional information and other restrictions regarding the Water Conservation and Emergency Water Demand Management Plan.
